Atter a vote of thanks to the venerable chairman, the band contest broke up.

As a musical tournament the meeting
was a success, and the Ogden band carried
off the first prize.

Convention Notes. The Great Sachem is wounded. He fails on the Giant of the Rockies, Joseph M. Cohn got in some eloquent

Powers claimed to represent 4,700 Gen tile Democrats. The Continental programme was followed out to a t.

Hank Harnes made a capital sargeant-atarms and kept the claus quiet. Really, it takes all Tue Henaun's pull to make a big man out of O. W. P.

A small boy shouted to the umbrella squad to "come in out of the wet." The cigar store Indians ran off with all the gents' furalshing store umbrella signs in town.

very keen perception, but he should oil his tongue. No convention held in Utah within two shoes, she is apt to make a very common cars showed as much need of a campaign and aggravating mistake if she wants the of education.

last authorized Democratic territorial convenient derivined the right in power to act for the little derivated the right in power to act for the little derivated the right in power to act for the little derivated the right in power to act for the little derivated the right in the power to act for the little and act act and that it had a little before the little and act act and that it had a little before the little and act act and that it had a little before the little and act act and that it had a little before the little and act act and that it had a little before the little and the some and cultured women," who have the man to nominate a good man and he named Fred F. Kiesel of Ogden.

THE CUP MEARERS.

Kliesel was cheered and in a short speech said he didn't understand how it was that such men as Judge Henderson, Judge Zane and McNutt should leave the Liberal party while men like himself and Judge Powers remained in it.

"Have you ever noticed," said a fashionable shopper, as she encountered the reporter on the street, "what obliging and

med in it.
M. Cohn, of Summit, and E. W. porter on the street, "what obliging and lady-like girls we have in our Salt Lake Tarple were elected alternates.

Tarple followed Powers cue by saying shops! It is really a treat to have them Tarple followed Powers cuo by saying they were going to get into the Chicago convention. "We're going to get into the Chicago convention. "We're going to get in," he said "and if we fail we'll make them mormons feel as if they had been through a battle."

The convention recommended the name of Hon. Wm. M. Ferry, of the national committee.

So annoying as to be forced to buy what does not suit us. We go off vowing the doors of that store will never again catch doors of that store will never again cate us on the inside; but to ask for an articl and not see the sightest disposition to find it, and only the larv lifting of a box from a shelf, the unconcerned opening of it, and a '1-doi't-believe-we-have-it,' in a drawing voice, then a cool turning of the back and a lifting of the box into place, back and a litting of the box into piace, again, a vacant stare at you; and, discouraged, you turn off. True the girl is tired, especially if late in the day; so, too, are you, for are not all the children at home to be clothed, an incompatent cock to be instructed, husband's dinner to be ready just at 6? So I say bless Salt Lake's girls with their bright interpreted load; their bright interested look!

> properties are very common in the terri-tory," said a physician to a Herallo reporter. There is hardly a county in the entire territory that does not beast of at least one such spring, holding in solution either sait, sulphur, magnesia, iron, inc, etc., or all of these properties combined. A Utah man these properties combined. A Utah man who has to leave bome to get the benefit of waters' is either of fastidious taste or lives n a most neglected corner of this muci blessed commonwealth.

"The genius of invention is deeply laid in the American mind," said a "patent-right" man with a miniature farm gate under his arm. "There have been over 40,000 kinds arm, "There have been over 40,000 kinds of farm gates invented in the United States, and yet there was genuls enough left to invent this one I have here. I am selling 'rights' and will trade them for anything loose at both ends. The farm gate was always agreat problem, but here is the solution." He awang his gate to, and as no one in the crowd said trade, he Young Glenn's speciacled optics have a his own assertions.

shoes for best wear, and that is to call for Basain congratulated the Powers Republicans for elected delegates and wished them success.

The Powers turn out was like a minstrel show procession, and the music occupied most of the space.

The Tusks had plenty of music. There were more men in the bands than in the rest of the procession.

Temporary Chairman Glenn couldn's see through his glesses) how an amendment to an amendment could be put.

The Chicago convention will not ask a shoes for best wear, and that is to call for

We have in store for sale four cabinet grand upright planes, of good makes, that must be sold within five days, regardless of cost. Now is your chance to buy a beautiful plane at your own price, and on terms if you have not all the cash to pay down. Anyone wishing to purchase a good plane will find it to their interest to call and settee planes at the committee on resolution, but was crassed; "And that when the committee on resolution was constituted in the same is received and adopted that no more resolutions will be allowed to be introduced."
